The Honorable Douglas H. Wilkins
Lawrence Superior Court
43 Appleton Street
Lawrence, MA 01840

Dear Judge Wilkins,

I was introduced to Leonard Degnan through his daughter Gina Degnan, who is my co-worker at the Dracut Funeral Home. Being employees of a small family-run business, as well as the nature of the industry, I have developed a personal relationship with Gina, and have gotten to know her family as well.

I have worked with Leonard on several occasions, including assisting in funeral arrangements for his uncle Rev. James Degnan. I found him to be very professional and personable on the occasions when he helped us with funeral services. In arrangements for his uncle, I experienced him to be a man who is deeply devoted to and supportive of his family as well.

I hope that the impact on his family may be considered when his sentence is decided, as I believe him to be an excellent example of what a father and a husband should be to his family.

Respectfully,

Lindsey M. Sud
